

**Nice to see you here! Do you want to learn more about *Sprachkunst*?  
Here is the right place!**

In this project, we will get to know the German language and culture through creative activities. We believe that it is important to connect words and their meaning while learning a language. Use your creativity and your hands to connect with words and people! All German levels are welcome.

Everything will take place at Restlos e.V. (Gießstraße 29, 04229 Leipzig), an association aiming to reduce material waste. In the workshops, you will be able to recycle/reuse lots of different materials and give them a second life. Nice, right?

The workshops are completely free of charge. *Sprachkunst* is a solidarity project funded by the European Union.

We look forward to seeing you there!
